CARLISLE COUNTRY CLUB November 2021

A family tradition since 1924

Message from the President

On behalf of the Board, I hope everyone is enjoying autumn and making the most of the fall golf season, a wonderful time of year at CCC, as well as our social activities. We hope you had a chance to enjoy the recent October activities at the club including Shrimp Night, the Music and Manhattans Happy Hour and Live Music event, the Chili Cook-off featuring craft beer and music from the North Mountain Ramblers, and the Family Halloween Party.

I'd like to focus this month's Crier message on the results of the 2021 All Member Survey which was completed earlier this year. Over 256 members participated in the survey which represented 45% of our membership, as compared to typical internal survey response rates of 30-40%. Thanks to all of you who took time to complete the survey as well as those that participated in focus groups earlier this spring. Thanks as well to Dee Zimmerman, Chair of the Futures Committee, and the committee members who developed and led the survey process from start to finish. A link to the full survey will be put on our website and sent in an email for your review this week.

Some interesting demographic information regarding the participants include the following: 38% of participants were in the 45-64 age category, 26% ages 65-74 and 23% ages 25-44. 63% of the respondents were male while 37% were female. 80% of participants identified as golfing members, 9% social and 9% dining. 43% have been members for 10 years of less, while 50% have been members for more than 11 years.

In terms of social activities at the club, 41% said social activities are very or extremely important while 37% said they are moderately important. It should be noted that while the importance of social activities in declined as participants aged, the importance remained very high with the 25-44 age group, a key demographic group to focus on for the future. 53% of respondents said they would participate at least once a month in an organized social event while 25% would participate several times a year. Social activities, in addition to golf and our pool activities, are desired by our membership.

The survey provided feedback on the types of events members might attend. 43% said they would likely attend a Holiday Event while 45% said they may attend. 42% are likely to attend Dinner and live music event while 39% indicated they may attend. 38% are likely to attend Pool BBQ with music and 33% may attend.

Amenities likely to be used by participants included the following: 73% were likely to use Fire Pits, 71% indicated they would desire an Updated Bar with games and more TV's, 43% were very likely to use an Off-Season Place to Hit Golf Balls, and 56% were very likely or somewhat likely to use Outside Games.

The above feedback and additional information obtained in the survey indicates that our membership desires winter and 'shoulder season' activities, especially as we work to retain and increase membership.

In regards to the golf experience at the club, almost 70% said they would participate in Fun Golf events like 'nine & dine' while 75% would participate in competitive events. There was little interest in opening the tee show to the public during slow times while a large percentage desired increasing the number of times a guest can play during the season. Interestingly, 90% agree that the club should find ways to integrate new and existing members into the golf experience while 80% agree the pro shop should be proactive in matching golfers to existing groups and leagues.

Participants were asked to prioritize the desires for additional enhancements and improvements at our Club. By a large margin, improving the quality of our food and beverage operation was the first and second choice of most respondents. 85% listed this as their first or second choice of their desired enhancements. 82% were in favor of a more casual pub and grille food, 81% desired a simplified menus with periodic fine dining events, and 83% were in favor of a healthy light lunch menu during lunch hours.

One item that was mentioned at the Board's strategic planning session is the need to survey the new members that joined the club as part of our new Membership Campaign which started March 1. 65 new golfing memberships and over 29 social memberships have joined the club since the campaign originated and they should be surveyed as well to get their input and thoughts on their experience to date at our Club and desires for the future.

I will share more information from the Board's Strategic Planning session in an upcoming communication, however, one item that came out of the retreat was the creation of a 2024 CCC Vision Statement which is: 'To Provide Our Members a Dynamic, Memorable Golf & Social Experience Year-round...For the next 100 years.' We believe it meets the vision of our membership, particularly the Club moves towards its 100th year anniversary in 2024.

Thanks as always for your support and input. We look forward to seeing you at the club soon, hopefully on the course weather permitting or at a social event over the next month!

Message from our General Manager

Hello CCC Members-

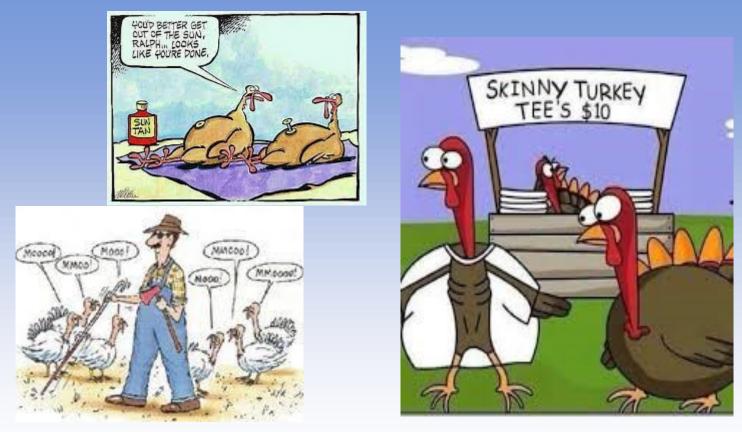

October is nearly gone as I pen this and last evening's Halloween FrightFest Party was an astounding success. Over 200 of your fellow Members were in attendance and by all counts, it was as good a Halloween party as anyone there could remember. As you may recall, we dedicated the event to our long time Maintenance Engineer, Daryl Mellott, who unfortunately could not be with us for his "Swan Song" event, as he was hospitalized with triple by-pass surgery earlier in the week. I am happy to report that he called this morning and is doing quite well and hopefully returning home on Monday (Nov. 1st).

Golfers that travel, don't forget to sign up for the "Play Away" up grade with our new ClubCorp Alliance Reciprocal before November 15th to take advantage of having the initiation fee of \$1000 waived during our club's open enrollment period. Many of your fellow Members have already signed up for this great Member value. Please recall that as a Member of CCC you automatically receive "Life Benefits" of reciprocal usage of all the participating clubs, twice a month, every month, with ability to book tee times 14 days out and only pay the standard "Member Accompanied" greens fees and cart fees.

With the "Play Away" upgrade you can book a tee time up to 30 days out and play most courses for cart fee only; with just a few of the high destination courses for only \$25 plus cart fee. "Play Away" spaces are limited, so please call me today and I'll do the rest. Remember, you are not tied into this for any specific length of time you can use it once, and if you don't like it you may drop at any time; however, my experience has shown that once word gets back as to how good this really is, I get a bunch more Members to sign up!

We have our first Gourmet Wine Dinner coming up since I came to CCC and it looks to be one that you won't want to miss. On Saturday the 13th, we'll be showcasing the "Wagner Family of Wines" featuring the highly renowned California wines from Caymus Vineyards, Emmolo Winery, and Sea Sun Vineyard. Kyrsten Worley will prepare a five course dinner to match perfectly to six of these fine wines. Details available in event ad further back in this publication.

Speaking of Kyrsten, she will be holding a youth cooking class the Sunday before Thanksgiving (the 21st), so be sure to sign your child up sooner rather than later as reservation spaces are limited. For Thanksgiving itself, we will be closed the day of, for our staff to have the opportunity to spend the day with their families. We will, however, have a specially prepared Heat-N-Serve option available for your convenience to be picked up the Wednesday prior to Thanksgiving (the 24th) along with re-heating instructions. Order forms can be found in this newsletter.

As you know, everyone in our community is hurting for staff; we are no exception. The loyal staff we do maintain have worked harder than ever before as they are picking up the slack for all those positions we are unable to fill. Please consider donating generously to this year's Christmas Bonus fund to help show how much we all appreciate their efforts. As always, all donated funds will be split amongst all line employee based on position, salary, and tenure. Upper Management will not be included in the distribution of your donations. The donation forms will be sent with your statements, many thanks in advance.

To one and all, I wish you a very safe and Happy Thanksgiving,

Vince

Message from our Golf Pro

Hello Members,

Well, the end of the golf season is here. Hopefully we'll have enough nice weather between now and the end of the year, that you all can play a few more times before we close.

I would like to thank everyone for their patience and understanding about this year. As you know, we did not have any assistant professionals and my staff was very lean. Ben did a good job coming in with no experience and he learned the ForeTees

System and Golf Genius Software very quickly. Not only were we understaffed in the pro shop, but we were understaffed on the outside services too. Our college kids who work here through the summer are fantastic, but we only get them for a few months. Thank you to all the staff.

One thing we're tossing around, is to hire a couple of retired guys, who are looking to work 12-15 hours a week and then we will allow them to play golf. I think our service will go up and we'll be able to take care of all the members at a higher level. So, if you know anyone who is retired, a non-member, who is looking for a little part time work, please have them contact me.

On November 26th, (Black Friday) I'll be having a little sale, but you must play golf that day to get any kind of discount. Here's how it works:

This is a voluntary golf event. If you choose to participate, you will play 18 holes of golf using your full handicap. Turn your signed scorecard into the pro shop after play. If you shoot 71 or above (NET), you will receive 5% off all items in the shop. If you shoot 68-70 (NET), you will receive 10% off all items. If you shoot 65-67 (NET), you will receive 15% off all items. If you shoot 64 or below (NET), you will receive 20% off all items. Purchases must be made the same day. Due to the amount of discounts being given, we will <u>*post all scores*</u> that are turned in and participating. There's going to be some decent days in No-

vember, so take advantage of them and tee it up!

Play well,

Daniel Baker, PGA

Message from our Golf Course Superintendent

Happy fall CCC members! Looking ahead at the seven day forecast, I am not sure what will be falling faster, the leaves or the temperatures! Over the next six weeks or so we will be wrapping up things on the course to prepare the turf and irrigation system for the winter. A few key applications still remain to ensure the best surfaces for next spring.

As we head towards consistently cooler temperatures the grass should finally reduce its growth and hopefully allow us to get some cleanup done around the property. Our rough mower, Steve, is also our leaf-vac operator for the most part. This can be a problem during the transition period of mowing and leaf cleanup, as we cannot yet afford to cease mowing and solely focus on picking

up leaves. After this week though, I think we will begin to dial back mowing and you should start to see the blower/vacuum out on the course.

Unfortunately FROST is going to become an issue again. While I wish I could change that for all of you morning golfers, I do not possess that power. Please understand that we are protecting the course in the manner that we feel is appropriate. Other golf courses, especially public tracks, do not hold golf back in times of frost. That is fine, for them, but not for us. We always do the best we can to get you off as soon as possible and I think that many would agree that strides have been made in that regard.

I wanted to review the fairway aerification process that returned to our agronomic program for the first time in four years. Again, we decided to solid-tine instead of pulling cores, which was definitely the right decision as it was even raining a little while the contract service was on site. We also then inter-seeded the fairways with bentgrass and topdressed them as well. I think that this process will prove extremely beneficial for our fairways, not just now but also moving into next season. The inter-seeding was successful, however please keep in mind that the rate of seed is only a quarter to an eighth the rate we would go with for new establishment. Basically that means the bare spots on our severe slopes still need more work, and it could not be expected to seed at the rate we did and have those spots fill in. A fertilizer application was also made that is dual purpose. It is a controlled release product that will feed some now and then sit all winter, beginning to release again in the spring and even into early June, depending on soil temperatures. I realize that our golfing members do not look forward to this time of year, however there is still plenty of great golf out there. A benefit to the cool temperatures is how simple it is to create pretty slick greens. The windy, dry days offer opportunities to get cuts on our surfaces with minimal dew, which allows for a cleaner, tighter cut. So while it can be a pain, fall is not all the bad, and it can certainly offer some beautiful views!

Kevin Mark

Golf Course Superintendent

Aer-Core on site to perform solid-tine aerification to our fairways and intermediate cut rough.

Dragging in the sand topdressing on the fairways.

Final step...Fertilizer and rainfall!!

Message from the Membership Committee Chair

MEMBERSHIP COMMITTEE NEWS

Welcome to the first newsletter after the golf season. It has been quite a year of positive change and growth for our club. Thanks to everyone who mentioned CCC to a friend, picked up a new member packet to hand out, brought a guest to experience CCC's charm, friendly atmosphere & golf course. Also, special thanks to the Membership Committee members and CCC Ambassadors. This group of 28+ members provided the ideas and implementation to fuel our membership growth. Again, thanks to everyone who helped!

So, what did we accomplish? Since 3/1/2021 we: added 94 new members (across all membership categories), emailed or talked with 274 prospective members, all new members had a CCC member provide a personal welcome, Community Day Program hosted 132 prospective members, hosted 5 new member welcome events, presented new member information at 8 golf outing events and upgraded our presence within social media platforms.

Some more great news was the 65 new golfing members we added, as compared to 30 memberships budgeted by 10/31/2021! That is fantastic news and great momentum for the club as we head into the winter and upcoming spring golf season.

When we rolled out the new membership dues program in March 2021, we said that if we reached 220 full golfing memberships by 10/31/2021, we would eliminate the monthly mortgage fee for those members that pay the fee. We came very close to achieving this goal. Per the approved program, we will measure this benchmark again on 4/30/2022 and if we are as successful in recruiting and retaining members, as we think we will be, I feel very confident we will reach our goal of 220 full golfing memberships.

All of the above couldn't have happened without the 28+ folks as mentioned earlier. Imagine if more CCC members became involved with the Membership Committee to help with just one activity. Your help and ideas could be an integral piece to help us reach our max golfing membership. Please consider joining our committee. We meet by zoom 6 times a year and two or three times in person. Just email Vince and let him know about your interest.

Did you know, our New Member initiative Program's dues structure was started on 3/1/2021 and can run through 4/30/2023 or until we get to 290 golfers. In the first 7 months of the program, we have already added nearly 50% of our goal. If we duplicate the results in 2022, we will meet our goal

The BOG has agreed to offer two new opportunities over the winter to help bring in new members.

The first is: Any golfing member who joins CCC after 11/1/2021 will pay no dues until April 2022. If you know of anyone interested, have them contact Vince.

The second is: Strictly for current social members of CCC. All social members may play the course from 11/1/2021 thru 2/28/2022. You will need to check in with the pro shop before play and have the Pro Shop add you on the ForeTees tee sheet. You can pay for range balls or cart use thru your club account. We don't plan on making this an annual program, so now is your time to try golf at your golf course.

My apologies for overwhelming everyone with stats and figures. The bottom line of the above is that we have made tremendous progress over the last 7 months. There is very little doubt that we will meet our 220 goal, at our next evaluation date. If we all keep our thoughts centered on generating new member opportunities, couple with our social media presence opportunities there nothing to prevent us from reaching our 290 maximum golfer number ahead of our program deadline in 2023 and likely before that.

THANKS TO ALL who have helped put us in this positive position.

Dennis McKendry Membership Committee

Message from our F & B Manager

Hello CCC Members,

Wow, October just flew by! Time to welcome November with open arms. Halloween was such a blast, now onto Thanksgiving! We have a couple fun events in store for you this month including an elegant five course **Wine Dinner with the Wagner Family of Wines** on Saturday, November 13th, contact Vince for sign ups, there are limited seats available so get yours now. On Thursday, November 18th we will be celebrating the release of **Beaujolais Nouveau** with an accompanying **"Pork Night"**, reservations, please. Then on Sunday, November 21st we will be having a Kid's Cooking Class **"Cookin" with Kyrsten"**, sign up your kids today! So now, on to the one we have all been waiting for, **Thanksgiving!** We will be doing

Heat-N-Serve to-go dinners to be picked up the day before Thanksgiving, November 24th. We will be open a half day, from I lam-4pm, for lunch service and Thanksgiving order pick-ups. All orders for Thanksgiving dinners must be placed by Friday, November 19th, by the close of the restaurant at 8pm.

Planning a little ahead, the first week of December we will have the "Gingerbread House Decorating" on Friday, the 3rd in the evening and Saturday, the 4th in the afternoon. I would also like to get the word out that we will be having a "Prime Rib Night" on Saturday, December 11th, as with all events, we ask for reservations so we know how much to make. I look forward to see you around the club this Holiday season! Kyrsten

Message from our Front of House Manager

Happy November!

Thank you to everyone who came out and enjoyed our events last month! Shrimp Night, Manhattan Night, Chili Cook Off/Beer-Fest and Halloween were all a hit. We look forward to hosting more events like these in the future. Also, a big thank you to the CCC staff for all of their hard work to make these events possible!

Congrats Dee Zimmerman on your winning chili recipe!

A Great New Member Value Just for being a Member of Carlisle CC

Your club has just signed into an agreement with ClubCorp, a Dallas based Private Club Management Company that owns over 200 clubs across the nation And Manages quite a few more owned by others. We will become a ClubLife Affiliate Club to their network along with about 150 other clubs around the nation, which have no other affiliation with ClubCorp other than belonging to this network of over 400 reciprocal clubs nationwide.

CCC Members now have reciprocal membership rights for our Members to use every one of these clubs up to twice per month, every Month, while they are travelling away from our southcentral PA region. There are also great dining discounts available at participating City and Stadium Clubs. Additionally, there are special offers available at renowned resorts and destinations, plus great hotel benefits, Car rentals, and more (fees may apply).

As an Affiliate Member, when playing a network course, you would pay "Guest of a Member" greens fees plus cart fee, and be able to book a tee time 14 days in advance. Any guests you may bring (up to 7) would pay the same. There is an optional upgrade to "Play Away" benefits and play most courses for cart fee only, and a few premium clubs for \$25 + cart fee. which is a huge savings off the greens fee at many of these clubs. As a Play Away Member, you would be able to book tee times 30 days out.

Everyone should really make every effort to attend, especially if you are a golfing Member who likes to travel.

Golfing Members, you only have until Monday, November 15th to sign up for the "Play Away" upgrade without incurring the \$1000 initiation fee. It is currently waived during our Open Enrollment Period. If you travel and want to play hundreds of new courses, this is the best value in town. Don't miss out. No risk, you may quit any time you like. VB

Carlisle Country Club Book Club

In order to effectively contribute to the discussion of book selections, we encourage everyone to read each book since that is the primary focus of the CCC Book Club. Only CCC members are eligible to join the Book Club. We plan to set this meeting, well spaced, in the Carlisle Room. Please be sure to make or cancel your luncheon reservation every month by calling: 717-243-6100
